Re: Examiner Interview Request

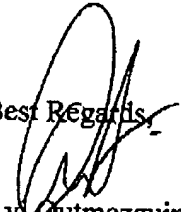

Dear Mr. Park:

I am writing to request an Examiner interview at your earliest convenience. During the interview, I would like to discuss the following topics:

1. The 103(a) rejections of our invention in view of Ogasawra and Tsikos. Specifically, I would like to discuss the rejections with respect to claim 1.
2. The above combination of patents. In further view of Chiu.
3. The patentability of our claims in light of our conversation.
4. A discussion for an Amendment which would make the patent application allowable.

If you have any questions about these topics, please do not hesitate to contact me at (212) 278-0178 x 226 or by fax at (212) 202-4318.

Best Regards,

Avi Outmezguine
